**Robert F. Otnisky, Ed.D.**

**Interim Superintendent of Schools**

March 2, 2011

Dear Parents/Guardians:

Although our district will be closed on Friday, March 4, 2011, for students, our staff will be participating in a Professional Development Day. Our staff will be working in a number of areas including Curriculum Development in Mathematics and Science.

Other areas of focus include; working with our district Math Consultants and math teachers at all grade levels, vertical articulation among special subject area teachers, specialized training for district paraprofessionals and general planning and articulation between the schools and various grade levels.

Information gleaned from the various workshops will help formulate District and school goals for the coming year.

Sincerely,

Robert F. Otnisky, Ed.D.  
Interim Superintendent of Schools
